General mood/progress/thoughts log

0600 up and running

0710 breakfast onboard , hygiene routine completed and heading to site R

0800 arrived at site R

0819 main bedroom reset going well. Down to the misc pile. Processing it steadily.

1015 bedroom reset complete. Hanging Tv and moving final things into place this evening. Sunday we will work on the bedroom closet purge and office cleanup. I'm glad to be setting Patti up for success.

1115 misc house ops complete at site R. Heading to site Y to meet electrician sometime between 1 and 3 for the RV plug install. Back to site R after for finishing putting away everything moved out of my office. Prepared the workspace for mounting the TV and for prepping the office to be painted.

1252 site prep for electrician completed. Obtained lunch. Prepared trailer for rent (removed personal effects etc).

1353 handled various logistical / build out / ops tasks at site Y. Getting more settled in. Streamlining my life and eliminating last bits of inefficiency.

1459 rv outlet installed at site Y by electrician and confirmed operational. Heading to site R.

1601 arrived at site R and did misc logistical / build out / house ops tasks. More to follow until 1830.

2121 tv in main bedroom is mounted. That was the big project of the day. Back at site Y. A very productive and accomplished day. Most pleased. Tomorrow will be the big wrap up buildout day (finishing up techops punch list and finish putting everything away from office move out). Also going to prep the office for painting tomorrow night.
